【16. Features and Introduction of Kamagaya Nursery School】

This nursery school is located in the eastern part of Kamagaya City. The school yard is filled with the smiles and laughter of children playing energetically. It is well known in the community and provides childcare support as a place for parents and children to gather, make friends, and consult on childcare issues in cooperation with other organizations as a base for childcare support in the eastern area.

We also actively welcome exchanges with the elderly, kindergartens, hands-on learning, and volunteer students.

Popular among children.
"This is Shinnosuke."

【Terrace for 0-year-olds】

"It feels good to be outside!"

【1-year-old and 3-year-olds playing together in the yard】

"This is the room that big brother and big sister made for us."

(2 year old)
"I'll make the same one!
How do you make it?"

【In the sandbox!】

【The five year old sister helps the two year old back into her room.】

"Let's go to your room together!"

"Let me help you take off your shoes."

"What shall we make?"
What should we make?" The 5-year-olds are discussing together.

【Food education activity by the cook (4-year-olds)】

「Where does the food go?」 The children listened to a talk about nutrition on the theme of After listening to the story, the children ate their meals and said, "If you eat a variety of foods, you will get bigger! We had such a conversation while eating.

【With students from the volunteer activities!】

【Traffic safety instruction】

After listening to a story about traffic rules, we were taught how to cross the street. After that, we visited a police car.

If you have any
concerns about
childcare or parenting

①Family Support Program “Famisupport”

I can't make it in time to pick up my child from nursery school or school, and I want you to pick him/her up and feed him/her dinner. The Family Support Program “Famisupport”

If you are unable to pick up your child in time for nursery school or schoolchildren, or if you want your child to be picked up and fed for dinner, please use the Family Support Program (commonly known as Famisupport).

※However, there are some conditions for using this service, so for more information, please visit the website in Kamakko Oendan or contact the Family Support Center at 047-445-1354.

②Childcare for children after illness

Post-illness childcare is a business that temporarily takes care of children who have passed the acute stage of illness or injury and are now in a stable stage of recovery.

In the neighborhood, Kamagaya General Hospital provides this service. Pre-registration and a consultation at Kamagaya General Hospital are required for use. For more information, please contact Kamagaya General Hospital directly (After-Sick Child Care Room 047-498-8111).

③ Childcare for sick children

This is a service to temporarily take care of children who are in the acute stage of illness at a facility where a doctor is stationed.

In the neighborhood, the “Usagi Nursery School” of the Shiroy Seijinkai Hospital provides this service. To use this service, you need to register in advance and visit the Shiroy Seijinkai Hospital.

For more information, please contact the Shiroy Seijinkai Hospital (Usagi Nursery 070-2656-5671) directly.

④About the open yard project

As for the “Open Yard Project” described in the pamphlet item [14. Child-rearing Support Project of the Nursery School], the nursery school opens its yard to the public when there is no park or children's playground near your residence, so please come and play with your children. (There may be times when the yard cannot be used due to nursery school events or construction.
